

HENRY'S

a dmk bar

No one throws a party like Henry's. Throwing a big one? Own the entire bar for the night, and we'll help you throw a party completely unique to you. Or for smaller parties, semi-private spaces from the classic Rock 'n Roll Front Lounge to the Graffiti Platform can accommodate groups of 20-100. Downstairs, our private event space, Rec Room can fit up to 75. Our flexible space and hospitality-focused staff makes this the ideal venue for all types of events from corporate to killer birthday parties and everything in between.
